

**A longitudinal analysis of gender-ethnic wage gaps in the UK:
success stories and continuing challenges**

Supplementary Material -- Figures

Figure A1: Trends in wage gaps for white British women and Indian men and women
Note: The full set of regression coefficients can be found in Table A1 in the Supplementary Material.

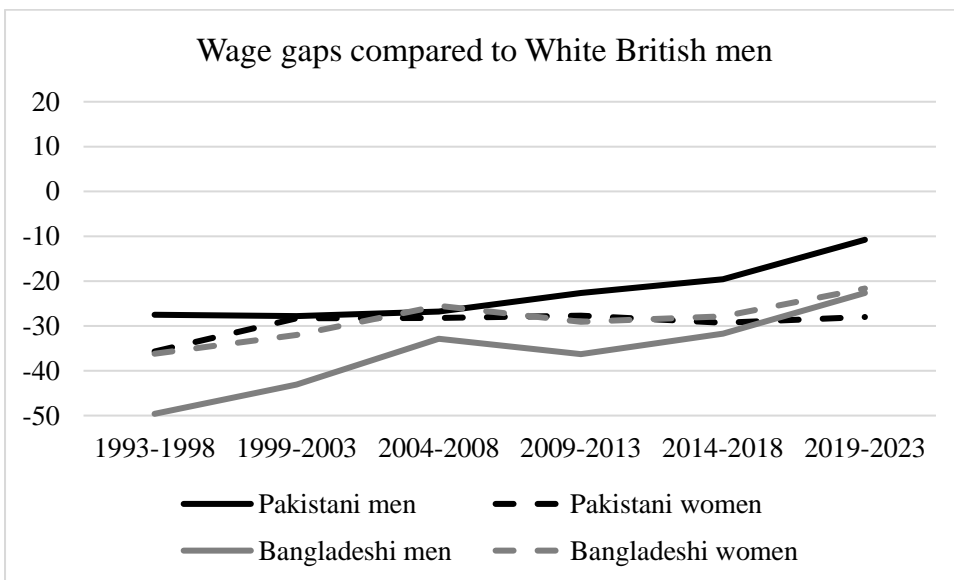

Figure A2: Trends in wage gaps for white Pakistani and Bangladeshi men and women
Note: The full set of regression coefficients can be found in Table A1 in the Supplementary Material.

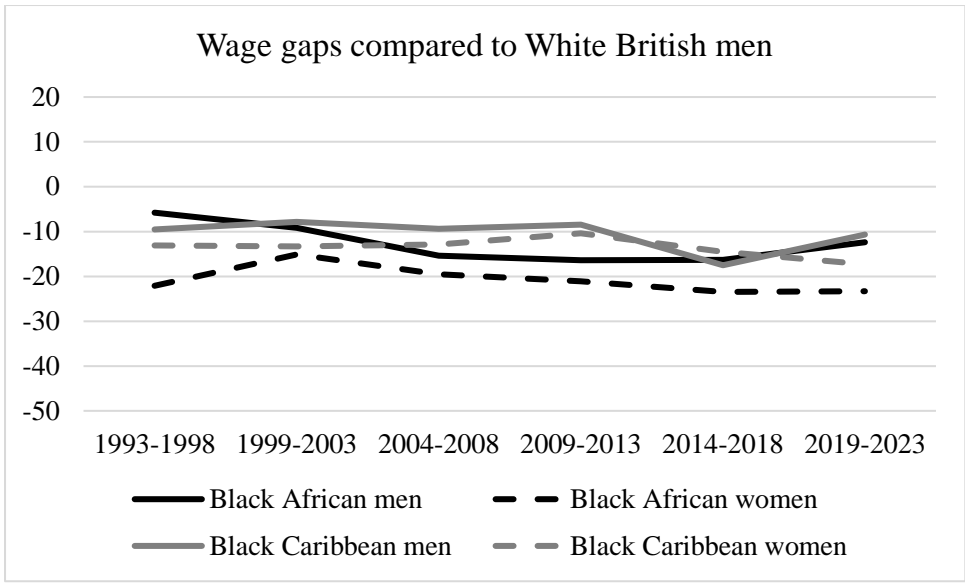

Figure A3: Trends in wage gaps for white Black African and Black Caribbean men and women
 Note: The full set of regression coefficients can be found in Table A1 in the Supplementary Material.

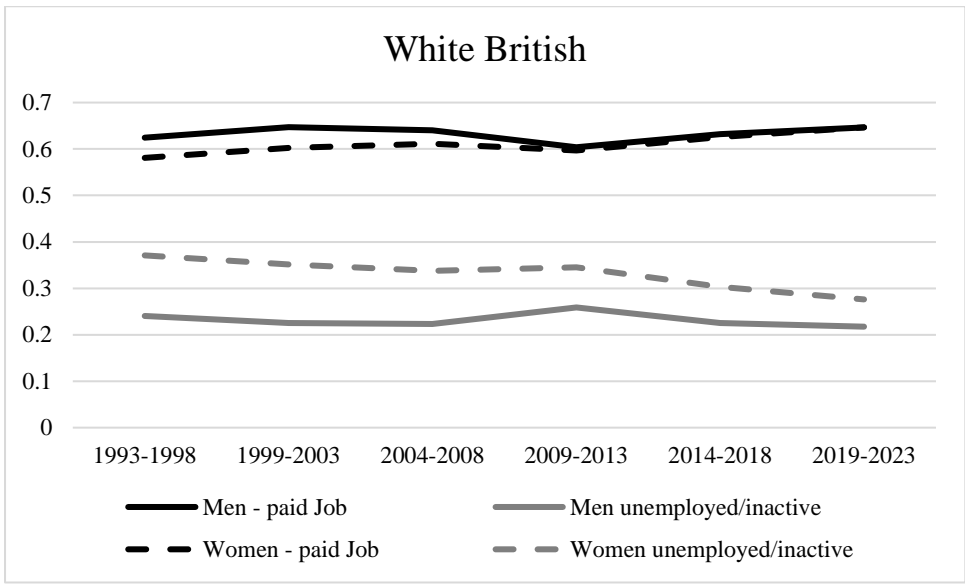

Figure A4: Trends employment (paid jobs) and unemployment/inactivity among white British men and women

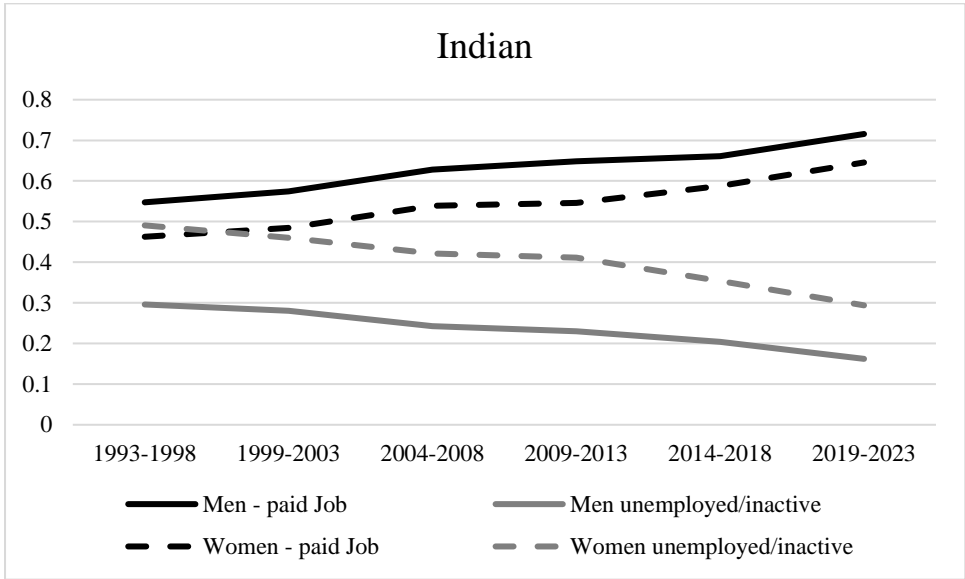

Figure A5: Trends employment (paid jobs) and unemployment/inactivity among Indian men and women

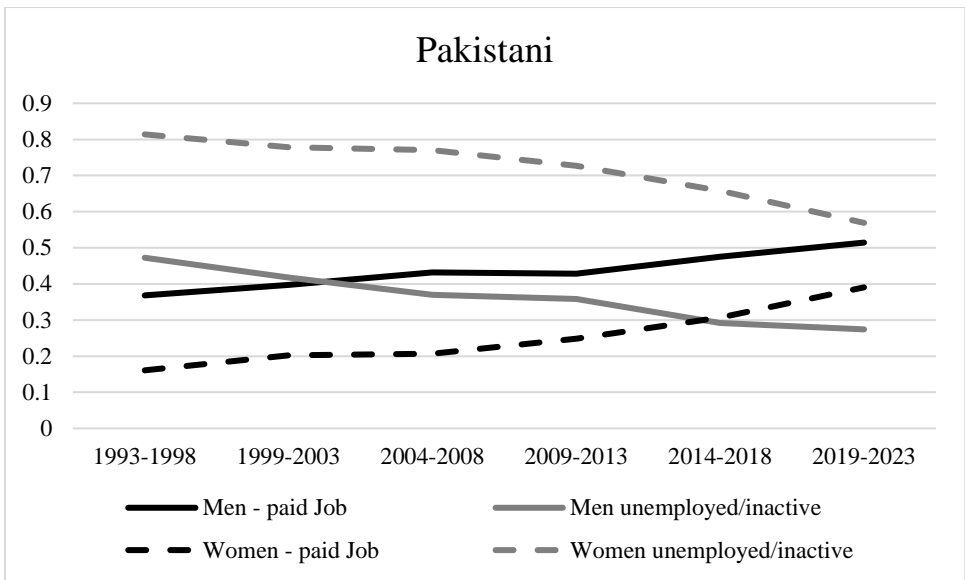

Figure A6: Trends employment (paid jobs) and unemployment/inactivity among Pakistani men and women

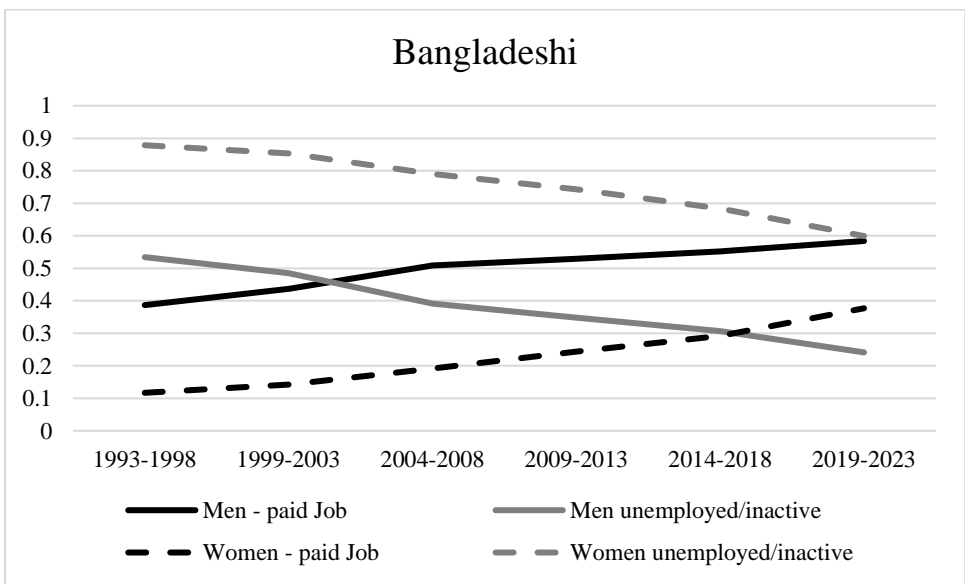

Figure A7: Trends employment (paid jobs) and unemployment/inactivity among Bangladeshi men and women

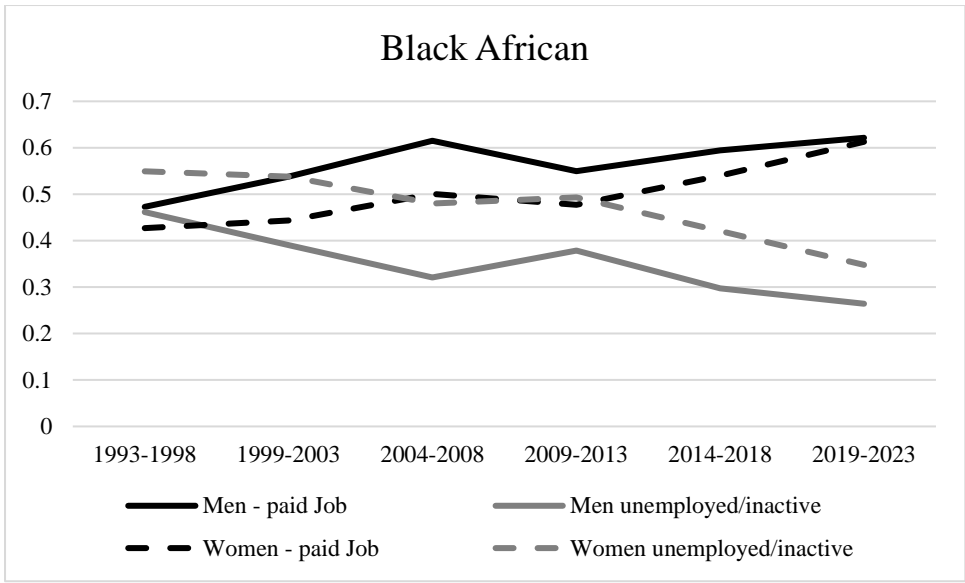

Figure A8: Trends employment (paid jobs) and unemployment/inactivity among Black African men and women

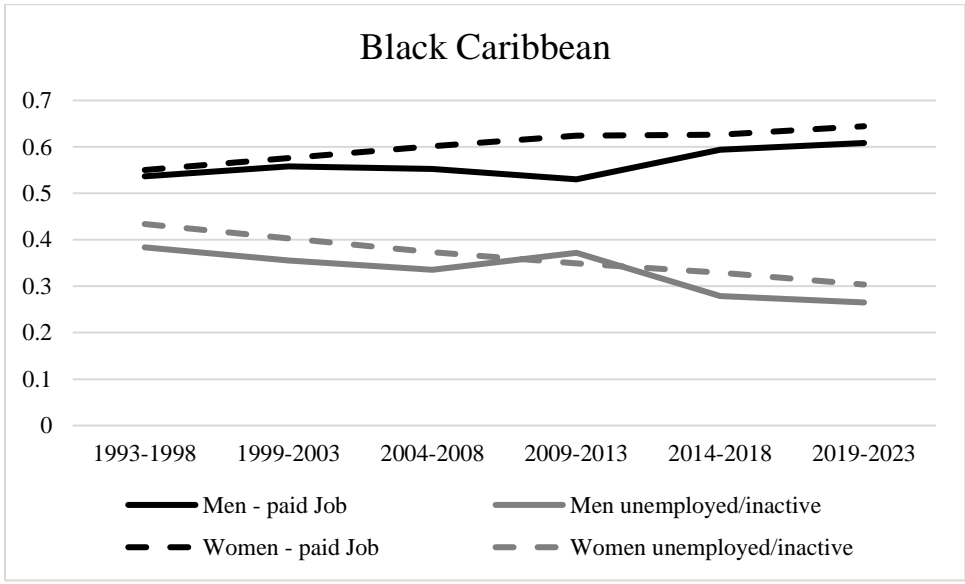

Figure A9: Trends employment (paid jobs) and unemployment/inactivity among Black Caribbean men and women
