Learn more about
RF Berlin Masterclasses

ROCKWOOL Foundation Berlin – Institute for the Economy and the Future of Work (RF Berlin) is an independent research institute conducting research on major global challenges affecting the economy, society, and the welfare state.

Through our Masterclass Series, we invite contributing authors to the *Handbook of Labour Economics* to Berlin for two-day teaching sessions. Participation is free and open to PhD students, postdoctoral researchers, and early-career academics, subject to application.
